Moein Sedghi

Experimental Sciences Student & Front-End Developer

moeip10@gmail.com +98 990 131 2917 Tabriz, Iran Sep 13, 2009

Profile

Highly motivated student at Sampad Shahid Madani High School in Tabriz, deeply interested in the intersection of medicine and technology. I build modern web experiences and explore computer hardware. My ultimate goal is to merge Medicine and Technology.
